If you do not agree, do not use the Platform.

1. The Platform

- Student accounts require an active affiliation with a partner educational institution
- TPO and Faculty accounts are provisioned or approved by the partner institution

- You are responsible for maintaining the confidentiality of your account credentials and for all activity under your account

3. Role-Based Responsibilities

You are responsible for the accuracy of your profile, resume and application content. Applications are subject to review by your institution's TPO before being forwarded to a company, where applicable.

3.2 TPO and Faculty

TPOs are responsible for reviewing and approving student applications and company drives in accordance with their institution's own placement policies before any data is forwarded to HR Users. The Company does not determine institutional eligibility criteria - these are set by the institution.

3.3 HR Users

HR Users are responsible for the accuracy of drive postings and for complying with applicable employment and data protection laws when reviewing, shortlisting or contacting candidates through the Platform.

4. Acceptable Use

You agree not to:

- Provide false, misleading or fraudulent information on a profile, resume or drive listing
- Use the Platform to harass, discriminate against or misrepresent any User
- Attempt to access accounts, data or systems you are not authorized to access
- Scrape, copy or redistribute Platform data outside its intended placement-process purpose

- Institutions and HR Users retain ownership of drive listings and related recruitment content they submit
- The Platform itself - including its software, design and underlying technology - is the intellectual property of the Company

6. Fees

Access to the Platform during the pilot phase described to partner institutions is provided free of charge. Any future paid plan, subscription or fee structure will be governed by a separate written agreement between the Company and the relevant institution or company and will not apply retroactively without notice.

7. Third-Party Services

The Platform may direct you to third-party tools for specific functions (for example, an external video-call link for interviews). The Company is not responsible for the availability, content or practices of third-party services accessed through such links.

8. Disclaimer of Warranties

The Platform is provided “as is” and “as available.” The Company does not guarantee that the Platform will be uninterrupted, error-free or that it will result in any particular placement outcome. The Company is not a party to and does not guarantee the outcome of, any recruitment decision made by an institution or HR User.

9. Limitation of Liability

To the maximum extent permitted by applicable law, the Company shall not be liable for any indirect, incidental or consequential damages arising from use of the Platform, including but not limited to loss of placement opportunity, data or profits. This limitation does not exclude liability that cannot be excluded under applicable law.
